Garrett-

I put the discovery packet in the mail this morning - you should get it early next week. I would have emailed them to you, but our scanner is crapping out.

Subject: Discovery Packet Request

Sonja,

I am assisting another prosecutor with a drug case. The Lab no. is [REDACTED] and the heroin was analyzed at the Amherst lab on 01/25/11. Would you kindly send me a discovery package for this item? You may mail the documents to the address below or scan them and email the docs to me.

Thanks,

Garrett
